Illustrative Seller-Proceeds Waterfall

Seller-proceeds scenario requires:

- Sale price (negotiable)
- Mortgage payoff (lender-provided)
- Commission rate (brokerage agreement)
- Closing cost inputs (attorney/title estimate)

Contact RHS at 317-395-3309 or righthandservicesbyjp@gmail.com to build a custom scenario.

Market Activity & Review Worksheet

Not applicable — property is not currently listed.

This section is used for active listings to summarize:

- Seller-provided updates (improvements, repairs)
- Showing feedback themes
- Documented marketing activity
- Property-condition changes
- Available market indicators with sources and dates

IMPORTANT DISCLAIMER — READ BEFORE RELYING ON THIS REPORT

This report was prepared by RHS (Right Hand Services by JP) as an AI-assisted research and document-organization tool. It is **NOT** legal advice, a title opinion, title insurance, an appraisal, survey, inspection, or closing authorization. All information is sourced from publicly available government records and is provided "as-is" without warranty of accuracy, completeness, or timeliness.

Montgomery County, NC does not provide public online access to tax, parcel, zoning, or deed records. This report contains significant data gaps that require in-person or phone research at Montgomery County offices.

No purchase, closing, recording, solar transfer, generator/propane account transfer, lien release, or funds transfer should occur solely based on this AI-assisted report. A qualified real-estate closing attorney or title professional in the applicable jurisdiction, the buyer's lender, qualified inspector, insurer, and relevant service providers must review and approve the applicable items.
